Patients came from (more than 200 km radius). A team of renowned physicians led by Dr S S Vithal, National Vice President IIHP, Dr Jaswant Singh (Jagraon), Dr Harjinder Singh (Moga), Dr Harwinder Singh (Barnala), Dr Sudarshan Bhatti, Dr B S Arora, Dr Miss Shweta Goel, Dr Jatinder Singh (from Ludhiana) attended more than 200 patients. Dr S S Vithal congratulated the organisers & contributors. He spoke on True homoeopathy clarifying various misconceptions/doubts in the minds of general public about

Homoeopathy. He cautioned against patents/polypharmacy products available in the market, since all these are non-homoeopathic and against the basic principle of this holistic science. Dr S Bhatti also spoke on this occasion. Dr Harwinder Singh-who is giving his services free of cost since 1990, thanked the visiting physicians. All the doctors and contributors were honoured by Baba ji. Most significantly, proper case taking was done for all the patients and single medicine prescribed after proper repertorization. Even emergencies/acute cases were dealt successfully with single remedy, single dose, principle. 4 cases for whom I or the patients got prescription on phone / net from Dr Vithal, came to see him to offer their compliments and thanks. I referred to this as cure with remote control.
