Millions of women the world over suffer from chronic pelvic pain - a difficult -to- diagnose complaint whose symptoms can include painful intercourse, difficulty in stand-

ing for long periods, fatigue and pelvic discomfort. Patients often see numerous doctors and go through a barrage of tests, only to be told that no physical problem can be found - it must

be in their head. Now a Canadian research has discovered that the source of many complaints is varicose veins in the ovaries, which can be corrected with minimally invasive surgery

According to Lindsay Machan, M.D., Assistant Professor of Radiology at the University of British Columbia Vancouver, the diagnosis can be made by an ovarian venogram, in which the veins are injected with a dye and then x-rayed. If varicose veins are confirmed, Machan guides an embolizing catheter into them; the clots that form close off the veins, essentially curing the condition.

# POTENTISATION-IN-HOMOEOPATHY

POTENTISATION IS A FUNDAMENTAL TECHNIQUE OF HOMOEOPATHIC SYSTEM OF MEDICINE. HERE ARE FEW SUGGESTIONS IN THIS REGARD. THERE IS NO PERCEPTIBLE DIFFERENCE BETWEEN ACTION OF 30 & 31 AND SIMILARLY 200 & 201, SO IF THE STOCK OF 30 POTENCY DILUTION IS ABOUT TO FINISH, YOU CAN ADD TO IT ALCOHOL IN 1 : 99 RATIO AND PREPARE 31 POTENCY, IN HOMOEOPATHY FIRSTLY ALL THE TIME RELIABLE MEDICINES ARE NOT AVAILABLE TO EVERY HOMOEOPATH, SECONDLY EVERY PHARMACY DOES NOT PREPARE ALL THE MEDICINES ACCORDING TO HOMOEOPATHIC PHARMACOPOEIA. THIRDLY THERE IS NO AUTHORITY TO PROVE OR RATHER THERE IS NO WAY OF PROVING THE RELIABILITY & GENUINITY OF HOMOEOPATHIC MEDICINES.

THE TOXIC EXCRETA OF THE PATIENT MAY BE USED IN POTENTISED FORM AS A MEDICINE,

SAY IN CASE OF ECZEMA, THE OOZING DISCHARGE FROM THE SKIN CAN BE PRESCRIBED IN POTENTISED FORM. THUS WE FIND THAT POTENTISATION CAN SERVE IN MANY THERAPEUTIC WAYS WITH GOOD RESULT. BUT FOR THIS ONE HAS TO POSSESS AN INSTRUMENT WHICH GIVES YOU CONFIDENCE THAT YOUR MEDICINE HAS BEEN PROPERLY POTENTISED AND DYNAMISED. A GROUP OF DOCTORS HAD BEEN WORKING ON A PROJECT FOR THE LAST 8 YEARS TO DEVISE A GOOD AND HANDY POTENTISER AND HAVE ULTIMATELY COME OUT THE ONE WHICH CAN BE A BOON TO EVERY HOMOEOPATH. THIS HAMMER IS SIMPLE, HANDY AND ECONOMICAL BESIDES BEING QUIET EFFICIENT AND STURDY.

**A PAPER ON POTENTISING HAMMER WAS PRESENTED IN 49TH CONGRESS OF LMHI AT NEW DELHI.**

**MUST FOR EVERY HOMOEOPATH.**
