A two days mega conference "HOMOEOVISION-2007" was organized in Tilak Hall auditorium of Nagar Nigam, Sigra, Varanasi on 17-18 November 2007. This was the never seen before gathering of Homoeopathic stalwarts, Scientists of different disciplines, doctors as well as students under a single umbrella for the first time in Varanasi, successfully organized by "The Homoeopathic Medical Association of India" Varanasi Unit under the dynamic leadership of Dr S P Singh, Dr V K Pandey and Dr S K Singh. This conference was attended by more than 600 delegates from all over the country.

THE IDEA: was to create public awareness about the merits of the system and to establish Homoeopathy on a sound scientific footing.

DAY 1: 17th Nov: Conference began with a loving Swagat Gaan by a team of school girls of R K Balika Inter College, Chitwani Kotnwa, Varanasi. Inaugurated by Lightening lamp and garlanding statue of Master Hahnemann by Chief guest Dr S P S Bakshi, President HMAI and President- CCRH. Other guests of honour on dias: Dr V C Acharya Deputy President, HMAI, Dr Bhaskar Bhatt, Secretary General, HMAI, Dr Eswara Das, Deputy Advisor Dept of Homoeopathy, Govt of India. Along with other dignitaries Org Chairman Dr S P Singh, Org Sec Dr V K Pandey, Dr Sanjay K Singh and Secretary, Advisory committee Dr C D Singh.

In his welcome speech, Chairman Dr S P Singh welcomed all. Then he raised many questions related to present condition and future of

Homoeopathy in states like Uttar Pradesh and urged the State Govt and Ministry of Health and Family Welfare Dept of AYUSH, New Delhi to sincerely prepare a concrete plan for the upliftment of this holistic medical science in hosting state and country as well, so that it could be the first choice of career for our younger ones.

Chief Guest Dr S P S Bakshi urged homoeopaths to work jointly as a mission for the benefit and betterment of mankind and Homoeopathy to put Hahnemannian science in the first row by 2020. Special Guest Dr Eswara Das said that AYUSH is doing all possible for progress of Homeopathy. Special Guest Dr B N Acharya told all to continue with positive frame work of mind and thanked Varanasi Unit for their outstanding job. Finally vote of thanks offered by Org Secretary Dr V K Pandey to all the dignitaries and audience for their gracious presence to mark the occasion. Dr C D Singh anchored the session.

I SCIENTIFIC SESSION: Dr SOMNATH MUKHERJEE MEMORIAL SCIENTIFIC SESSION

Dr S K TIWARI, Mangalore, spoke on practical utility of BOENNINGHAUSENS CHARACTERISTICS AND REPERTORY (BBCKR). He explained the significance of the repertory in practice with the help of selected cases. This session was presided by Dr P K Mukherjee, son of Late Dr Somnath Mukherjee.

Dr L M Khan, veteran teacher of National Institute of Homoeopathy, Kolkata, spoke on Miasms and how a person becomes sick. He raised the real aetiology of the disease. He explained the role of these noxious agents in illness; until unless it is not removed seeking of health would be a daydream.

II SCIENTIFIC SESSION: Dr A S Paranjpe (Ex-Scientist of solid state physics division BARC, Trombay, Mumbai) said Homoeopathy is a meritorious system of medicine because of its remarkable action in all sorts of diseases, yet it has not got the due place as it deserves, even 200 yrs after Hahnemannian discovery. Considering her true responsibility as a scientist to buildup its scientific foundation, she has developed a medical analyzer (Indigenously developed in BARC which estimates variability in five respects like heart rate, respiratory rate, stroke volume, cardiac output and peripheral blood flow rate) and ANU Photo Rheography (An user friendly device which records heart rate, blood flow rate variability and the corresponding autonomic responses) after putting Homoeopathic potencies and recorded the changes and variations in physiology and autonomic nervous system through this instrument. As an example of true Homoeopathic healing, she shared her experience through a redeo - in curing a sick pigeon by *Chamomilla* 30.

III SCIENTIFIC SESSION: Dr RAJAT CHATTERJEE of Mahesh Bhattacharya College, Kolkata explained the changing nature of the diseases and how diseases too are not manifesting their real sign and symptoms.

The day was concluded by colourful cultural evening presented by Rajan Tiwari and his team to refresh the mood of the delegates.

IV SCIENTIFIC SESSION: 18th Nov: morning began with grand delivery of Dr VISHPALA PARTHASARTHY whom Dr S M SINGH introduced as a good academician, writer and orator, as well as editor of National Journal of Homoeopathy, Mumbai: a rare combination. She lectured on efficacy of Homoeopathic remedy *Phos-acid* in Cervical Spondylosis and

proved with the help of cured cases. She built up, very artistically, the full drug picture of *Phos-acid* through diagrams, illustrations and cases.

Another Scientist Dr Gopal Singh (Research scientist of Plant pathology division of Sardar Vallabh Bhai Patel Agricultural and Technology University, Merut) read his paper on role of Homoeopathy in plant diseases by giving numerous examples of better growth of various plants though Homoeopathy.

OTHER SPEAKERS

Dr PUNKAJ SRIVASTAVA OF LUCKNOW, Role of Homoeopathic treatment in Orthopaedic cases and presented his cured cases with evidence.

Dr RAVI SINGH OF BALRAMPUR UP, told about the scientific construction of Homoeopathic Materia Medica. Dr A K Singh anchored the scientific session with many urdu couplets, very artistically.

Another scientist and living legend of the era "Padmashree" Dr LALJI SINGH (Director-Centre for Cellular and molecular biology, Hyderabad), delivered a valuable lecture on Gene therapy. Dr Kashmir Singh, chairman of this session, IPS (IG-Varanasi Zone) emphasized in his presidential delivery that Homoeopathy is a method of scientific study and therapeutic practice, which is not only cost effective but also qualitatively most progressive in the treatment of dreaded killer diseases of 21st century.

Dr S M Singh of Allahabad gave finishing touch to the conference and under his master anchoring HOMOEOVISION-2007 could reach to grand success. 20 Homoeopathic pharmaceutical companies had participated and displayed their products. With above all, the session was concluded with the vote of thanks offered to all ones by Dr D P Singh (GZP).

Asked to judge. The purpose of the contest was to find the most caring child.

The winner was: A four-year-old child, whose next door neighbor was an elderly gentleman, who had recently lost his wife. Upon seeing the man cry, the little boy went into the old gentleman's yard, climbed onto his lap, and just sat there. When his mother asked him what he had said to the neighbor, the little boy just said, 'Nothing, I just helped him cry.'
