

Magic of High Potency

Herpes zoster is a nightmare for practitioners as well as the patient. The pains are maddening and so are the sufferings. I used to dread it till I hit upon the magical potion!

CASE 1:

5 years back, Mr XYZ came to us crying for help for herpes zoster on the rt Abdomen. We gave *Ranunculus-b* 200 with no effect. 1M potency was tried in vain. But I persisted as it was the indicated remedy. *Ranunculus-b* 10 M QDS, considering the intensity of pain and lo! The pain vanished. (*Dr Tyler recommends this potency in Pointers to Common remedies-Ed*)

CASE 2:

Mrs KN came on 16.09.98 with herpes zoster on the

outer canthus of lt eye. She was sent for an ophthalmic opinion: The doctor opined: Herpes zoster involving ophthalmic division of the trigeminal nerve.

She responded to *Ranunculus-b* 10 M QDS immediately and was normal within 1 wk.

CASE 3:

Mrs TN, 62 yrs, came with severe herpes zoster on rt side of chest from front to back with severe burning and itching. *Ranunculus-b* 10M QDS cured her.

CASE 4:

Mr RS, age 45, came on 17.11.2000 with severe pain and burning on left arm without any skin eruptions. Expert opinion diagnosed it as pre-herpetic neuralgia. *Ranunculus-b* 10 M QDS was selected and the entire attack was aborted without the patient having to undergo intense pain and agony.

SUMMARY:

Generally chances of post herpetic neuralgia increase with age. In Case 3, the old lady did not get post herpetic neuralgia due to the high potency. It is found that herpes usually attacks the sites where in the past the chicken pox eruptions were more.

MANAGEMENT LESSON Number One

A crow was sitting on a tree, doing nothing all day. A small rabbit saw the crow, and asked him: "Can I also sit like you and do nothing all day long?" The crow, answered: "Sure, why not." So, the rabbit sat on the ground below the crow and rested. All of a sudden, a fox appeared, jumped on the rabbit and ate it. Management Lesson: TO BE SITTING AND DOING NOTHING, YOU MUST BE SITTING VERY, VERY HIGH UP.

MANAGEMENT LESSON Number Three

When the body was first made, all the parts wanted to be Boss. The brain said, "I should be Boss because I control the whole body's responses and functions." The feet said, "We should be Boss as we

carry the brain about and get him to where he wants to go." The hands said, "We should be the Boss because we do all the work and earn all the money. And so it went on and on with the heart, the lungs and the eyes until finally the asshole spoke up. All the parts laughed at the idea of the asshole being the Boss. So the asshole went on strike, blocked itself up and refused to work. Within a short time the eyes became crossed, the hands clenched, the feet twitched, the heart and lungs began to panic and the brain fevered. Eventually they all decided that the asshole should be the Boss, so the motion was passed.

All the other parts did all the work while the Boss just sat and passed out the shit!

Management Lesson: You DON'T NEED A BRAIN TO BE A BOSS-any asshole will do.
